Missions Trip Debriefing**

1. In what ways did you experience God's working in you during your short-term missions trip?

2. Of the goals/expectations that you set before the trip, which were accomplished and realized during the trip? Share one specific item.

3. For first-timers, was your pre-field preparation adequate? What did you wish you knew before you went?

4. For returning STMers, what were some new things about the ministry or about yourself that you learned?

5. As a result of this trip, what areas of your spiritual life or ministry training do you feel that you would like to strengthen? What were your main challenges on this missions trip?

6. What can the missions department do to help make this a more fruitful trip for future participants? How can we work better with our short-term missions teams and with the local missionary?

7. Are there future missions trips you would be interested in? Are you interested in exploring a longer-term missions commitment? Would you be interested in having missions-minded mentoring and/or training?
