

Bible Study

In American Sign Language (ASL)

Sharing God Love thru Sign Language

以雙手傳遞加倍的愛

An on-going small bible study group on Mathew, New Testament in American Sign Language (ASL) is offered at Chinese Bible Church of Maryland (CBCM).

The class is designed and structured for deaf or hearing people in mind. Ample opportunity to learn ASL through discussion and exchange with Chinese deaf students from Gallaudet University. Plenty of fun and fellowship time to spend together.

*Basic ASL would be helpful, but not required.

Date: Begin on 11-02-07, on a bi-weekly schedule.

Time: 8:15pm to 9:15pm

Location: 4414 Muncaster Mill Road, Rockville, MD 20853. Chinese Bible Church of Maryland (CBCM)
