

# Children Ministry Newsletter

Welcome to the Spring Quarter! As the warm weather arrived early this year, it's a great opportunity to enjoy the nature with your children. In this Easter season, we celebrate the resurrection of Jesus Christ and remember the precious price our Lord has paid on the cross!

March 3 started a new quarter for Children's Worship and Sunday School classes. When you have a chance, please stop by your child's class to meet the teachers. We also appreciate your cooperation in picking up your child promptly after his/her class.

## Mission Statement

We support parents as the primary spiritual teacher in their child's life. We provide a caring environment for children to learn God's Word (the Bible) and salvation through Christ. In God's timing, the children will develop a personal relationship with God, be strengthened in their spiritual walk, be equipped to serve Him and to minister to others.
