

Day 2: July 6th Monday

Bible Text: Psalm 100:1-5

Reflection:

We can sing to the Lord with joy and serve Him with gladness because He is our Creator God, and we are His people under His care. We can give thanks and praise the Lord because He is good, and His faithful steadfast love towards us endures forever.

How have you experienced God's steadfast love and faithful goodness towards you? What blessing are you thankful for? Give thanks to Him and praise Him now.

Do you often sing to the Lord with joy and serve Him with gladness at CBCM? Why or why not? Ask the Lord to help you with this.

Closing Prayer:

Heavenly Father, thank You for Your goodness, Your steadfast love, and Your faithfulness that endures through all generations. Fill my heart with joyful gratitude and help me to worship You not merely with my lips, but with my whole heart and whole life. Forgive me for the times I complain rather than give thanks and teach me to enter each day with praise. We also pray for our church family, CBCM. May we be a people marked by joyful worship, humble service, and deep confidence in Your unfailing love. Let our lives together proclaim that You alone are God, and that Your faithfulness never ends. In Jesus' name, Amen.
