

Day 4: July 8th Wednesday

Bible Text: Josh 21:43-45

Reflection:

After God brought the Israelites into the Promised Land, Joshua declares that "not one word of all the good promises that the LORD had made...had failed." God's people often experience delays, challenges, and uncertainties, but God's promises never fail. Looking back on our own lives and on the history of CBCM, we can testify that God's faithfulness has carried us farther than we could have imagined.

1. What promise of God's have you personally seen proven true through your life experiences?
2. As we celebrate and reflects on God's faithfulness to CBCM in the past, how does that strengthen our faith for as we move towards the future with our faithful God?

Closing Prayer:

Lord, we praise You because not one of Your promises has ever failed. Thank You for Your faithfulness throughout my life, even in seasons when I struggled to trust You. Help me to remember Your past faithfulness so that I may walk forward with confidence and hope. We also thank You for Your faithfulness to CBCM through the 50 years. As we look to the future, strengthen our faith, deepen our bedience, and help us to trust that every promise You have spoken will surely come to pass. In Jesus' name, Amen.
