

Children's Department 兒童部

- 1) Teachers and Helpers for Sunday school classes, Children's Worship classes, Friday Night classes and BTT rooms. These are the positions that will have direct contact with our babies to 5th grade children. Therefore, all of our volunteers will need to go through a background check process. We have a quarterly system, in which teachers are rotated one or two times a year.
- 2) Brothers or Sisters to help clean the toys, organize the rooms or purchase supplies for the classrooms; these can be done once a month or more often as needed. These positions do not require background check.
- 3) Friday Night Safety team members which is currently headed by Anita Wong. (auntieanita.wong@gmail.com)
